Philly Cheesestaak Pizza Review Rudd is always looking for a new pizza and when we scoped out our Philly cheesestaak at our local Pizza Hut, we just had to try one. We had a nice, soft bread base inside, crispy around the edges. The crowning ingredient was steak and we were happy with it, but it might have been a little less chewy.The taste was spot on. We caused taste and loved caramelized onions. The peppers and triple cheese were all good and tasted very extravagant when put together. The creamy base was different and we thought it was a bit lost in all the great taste that was going on. So thumbs up for this pizza from Pizza Lad. Youth.
